

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE LODI CITY COUNCIL**

JOANNE L. MOUNCE

Age: 41

Occupation: Eastside Business Owner

My education and qualifications are: My grandmother, Esther Mounce, taught me the importance of community involvement by helping many people in Lodi during her lifetime. She inspired me and as a result, over the past nine years, I have volunteered with numerous groups including the Eastside Improvement Committee, Junior Achievement and the Year 2000 Committee. I led the Hale Park Family Concert series; I am a Rotarian and a Neighborhood Watch Captain. Nothing means more to me than family and community.

After twenty years in accounting, I know the importance of fiscal responsibility. I am a financial conservative. As a business owner, I bring years of experience to city council. I am a hard working, honest person, dedicated to the success and accountability of the city, to you...the citizens of Lodi.

My next step in volunteerism would be to become your council representative. With your help we can bring your ideas and concerns to the attention of Lodi staff. I promise to work hard to maintain the quality of life we all enjoy in Lodi. By casting your vote for JoAnne Mounce, together, we can make a difference. Stop by my website, www.lodicitycouncil.com, and make your voice heard.

Remember, every vote counts: vote Mounce.
